

VPA LEGISLATIVE UPDATE #13.5

April 29, 2009

I reported the status of the capital and transportation bills in error, under Tuesday's legislative update, based on mistaken bill tracking entries on the legislative web site... pays to wait for the journals to be posted! The bills were not forwarded to the Governor, but are still subject of hot debate in conference committee...

Transportation Bill (H.438)

Conference Committee: Senate- Mazza, Scott, Kitchel H- Westman, Potter, Brennan

Capital Bill (H.445)

Conference Committee: Senate-Scott, Mazza, Campbell H-Emmons, Myers, Rodgers

Sorry! Stay tuned...
